EXAMPLE OF RATE CALCULATION:

Eight members and two non-members request two courts during prime time:

Step 1: Member Rate: \$1,162 (\$581 x 2) / 10 people = \$116.20 per member.

Half of the \$116.20 (\$58.10) per member is due with application. The remaining half will be billed to member accounts.

Step 2: Non-Member Rate: \$2,484 (\$1242 x 2) / 10 people = \$248.40 per non-member.

Full payment for each non-member is due with the application.

Step 3: Amount of check to KRC: One check (or instructions to draft one credit card) accompanies the application in the amount of \$961.60

[(\$58.10 x 8 members, one-half of total members' cost) + (\$248.40 x 2 non-members, full payment for non-members)]

Please draft my credit card for the deposit due: **(PRINT LEGIBLY)**

Card (circle) : VISA MasterCard Discover

Card number _____ Expiration: _____
